### Meeting Notes:

The Plant Sale is just over 3 weeks away: April 30, May 1, May 7 - please sign up to volunteer some of your time. Many hands will make light work on an important day for us.

Tom Jones introduced Devin Potter, Student of the Month. Devin is a most impressive and accomplished young man who wants to be challenged in life and believes that hard work does pay off!

Devin has been involved in many aspects of High School life including academics, athletics, class leadership and community activities. A highlight of Devin's activity has been a current events discussion among seniors at Suffield on the River that shows the level of interest that Devin has in his community. Devin will attend The Massachusetts Maritime Academy in the fall and plans a career as a Licensed Deck Officer in the Merchant Marines. His future appears quite bright!

Please support the production of the musical play Oklahoma by attending the performances this weekend at Suffield High School. Telephone SHS for exact times.

Mike Manzi, Suffield's Chief of Police has been nominated for membership in the Rotary Club of Suffield. Don Miner has done his usual outstanding job of identifying candidates for membership. Thank You Don.

### Meeting Notes:

Please keep Betty Ann Reilly who will be operated on this Thursday in your prayers.

We look forward to having Lev Ahrens back in attendance at our meeting next Tuesday night.

Please sign up for any time slots you are available to work at our Annual Plant Sale being held this year April 30, May 1 & 7.

This evenings guests included Jeff Miner, Mike Mansi, Suffield's Chief of Police and proposed new Rotarian and Linda Stevenson, a current member of Suffield's Police Commission.

Peter Osowiecki, School Resource Officer and Canine(K9) Handler and his police dog, Philomenia, were this evenings guest presenters. Phil, a 3-year old American German Shepherd was obtained from Fidelco and has cost the town almost nothing to date. Peter has spent over 500 hours training Phil in obedience control, area searching, tracking scents and narcotics. He specifically is able to detect the scents of Marijuana, Cocaine and Heroine. Phil has earned several different licenses and certificates of proficiency in police dog skills that aid in law enforcement and searches. Congrats to Peter for extending The Suffield Police capabilities in a very imaginative and positive way.

The District Assembly is scheduled to begin at 7:30 tomorrow morning in West Springfield. I'll see a few of you there. Have a great week. Tom.

### Meeting Notes:

The meeting started with a warm welcome home to Lev Ahrens, back from Florida searching for a place to make up all of those meetings he missed with us. Welcome home Lev!

A short report about the District Assembly held last week was given by Paul Pace who attended with Kevin Goff, Scott Seabury and Tom Modzelesky. Each officer was given updates on important operations procedures for the upcoming Rotary Year.

Our program tonight was presented by First Selectman Elaine Sarsynski along with Economic Development Director Patrick McMahon. They updated club members about the progress of several projects under way. We have opportunities as a club to contribute to the Town Center Project in many ways. Drawings were passed around that showed the renovations of the Mountain Road Area from High Stret to Pfyler Place. A traffic island at High Street is available for us to adopt and look after and maintain.

We also heard about the progress of the possible town library replacement, the re-furbishment of Babbs Roller Rink and renovations at the Town Property at Lake Congamond.

With many projects intown, our club has an opportunity to participate in a meaningful way that can give us important exposure in town. We will have a chance to discuss these opportunities in next week's business meeting.

### Meeting Notes:

Betty Ann Reilly is scheduled to have more surgery and treatment later this week for a brain tumor. There will be a healing Mass this Sunday, May 1<sup>st</sup> at Sacred Heart Church at 4:00 PM. Pat and Betty Ann would certainly be appreciative of any Rotarian support and our prayers for her recovery.

Kevin Goff presented several items that were specifically discussed this morning at a Club Board of Director's Meeting. Among these were participation in the development of an "island" as part of Town Center development; this would most likely involve the purchase of lighting and various plants and shrubs. The possibility of increasing dues or paying for meals quarterly in advance garnered considerable feedback; however no consensus was reached. Substantial progress has been made on Bylaws revisions, especially critical to gaining approval of our soon to be submitted 501c(3) IRS application. Our club anticipates about a \$2,500 budget surplus at year-end.

Paul Harris awards recognition are scheduled for Tuesday, June 28. Please E-mail those Rotarian and non Rotarian individual nominees you believe are deserving and should be considered to Ken Pascoe by next Tuesday, May 3<sup>rd</sup> @ ken@begleypascoe.com.

Dan Kehoe presented Kevin Goff with a gift of appreciation for driving to JFK Airport in New York last Sunday to pick up Lyle & Nance Pearsons. Kevin gave up his day voluntarily; Lyle's father had died unexpectedly! Kudos Kevin!!!
