Meeting Notes

Tonight's feature was the student of the month, Ryan Smith. Ryan is a senior at Suffield High and ranks second in his class. He is president of the National Honor Society, and a semi finalist as a national merit scholar. Ryan has collected a number of academic awards, including the Yale book award, and was named as a Governor's scholar during his junior year. He also is a founding member of the Math club, which competed in the state competition this year. Ryan has not yet decided on where he will go to college, but it appears he will have many options.

Also joining us this evening was Pole, an exchange student from Barcelona, Spain. Pole is a soccer player and will be our guest more often when the season is over.

In club news, the financial picture for the chicken barbeque is still not complete, but it looks another good year. The profits are over \$6000, despite the fact that sales of the hot dogs and hamburgers were down.

The Foundation Dinner is Nov 10 at the Basketball Hall of Fame, tickets are \$45 each, or \$90/ couple. Contact Tom if you are interested.

Meeting Notes

Tonight's meeting features an interesting presentation on Polio Plus, the Rotary program to assist with the worldwide eradication of Polio. Frank Wargo, from the New Milford club shared his experiences in India and Afghanistan as part of a Rotary team administering vaccines. Frank has dedicated his retirement to full time service on this and other Rotary causes. So far, \$600 million has been raised and over 2 billion children have been vaccinated thanks to the efforts of people like him.

RI is always looking for others to help and Nigeria is the country in the most need at this time.

In club news, Ed Garvey will be out of circulation for a while due to a broken leg. Ken Pascoe has some big news! There is still time to sign up for the Leadership Institute on 10/14 at Elms College and the Foundation Dinner on 11/10. Call Tom if interested.

Dan Kehoe is helping the Senior Center out with some computer equipment from Mass Mutual, donated through our club, we are lucky to have such technically savvy members.
